**Dear Pastor and Church**

It is with joy that I come to you by way of letter to let you all know how things are going South of the border.

The first half of 2025 is history; the question is what have we done for him? I trust that we have been busy telling the lost about the Savior.

The weather here has gotten really hot we have had it at 100° plus so far, are expecting it to get hotter this month and also the month of August. I hope your weather is not too hot. Hopefully you're getting some rain along.

I'm still having some health issues, but I'm still able to teach and preach the word of God.

Since our last report we have had 10 souls saved, praise the Lord for the souls that are being saved.

All national Pastors and families are still busy doing the work of the Lord, all from this report are in good health currently.

In the month of September, we will be having our 31st Church anniversary pray that souls will be saved, and the church will be revived.

Thank each one of you for your faithfulness and financial support.

Remember Me in your prayers as I remember each of you.

Love in Christ Your Missionary,

*Bro. Bobby Gates*
