

Dear Praying Friends,

Greetings from the furlough trail! It's hard to believe we only have 6 weeks left of our 6 month furlough. Thank the Lord for keeping us safe on the road. We've traveled 19,000 miles and been in 65 services since our arrival on February 3rd.

We have had 6 new churches take us on for support so far, thank the Lord, and we're waiting to hear back from 9 other new churches that we've presented our call too. We're trying to raise more support due to the cost of inflation and loss of support since covid. We're trusting the Lord to help us in these remaining weeks before we fly back to England. We must admit that we are road weary and tired but God is good to give us strength for the journey!

May was a special time for us as we celebrated 29 years on the mission field. God has been so faithful and we praise Him for all that He has done and is going to do.

It's been such a blessing to see so many churches we've not been able to visit for a long time. For many churches it's been over 15 years since we last reported to them. Thank you for your faithfulness through these many years.

Our remaining 6 weeks we'll be in NC, SC, GA, AL, KY & TN. We are asking the Lord to move in a mighty way in the services.

Thank the Lord our church back in England has been doing well while we have been gone. The Norman's, our furlough relief missionaries, are doing a great job with the church.

Continue to pray for our daughter as she is due with our first grand baby anytime now. We are excited to meet our granddaughter before we fly back to England.

Thank you for your faithful support for these many years making it possible for us to remain on the field to reach the 50 million souls in England.

Sincerely In Christ,
Bro Roger Tooley
