Missionaries
to England

July 2026

Dear Friends &
Supporters,

Greetings once again from Corby, England!

We praise the Lord for His goodness and strength to do the work that he has called us to. Sister Tammy & I are both doing well. We thank God for giving us good health, especially as we continue on with our weight-loss journey.

These past two months have been very busy in the ministry. In May, we were greatly blessed to celebrate our 30th year of ministry here in the United Kingdom. Bro. Duane Moore, along with a missions team from Preaching Time Ministries, came to help us celebrate this special milestone and assist in reaching our community with the Gospel. Together, we were able to distribute John/Romans booklets and church invitations to more than 5,000 homes throughout Corby.

We are grateful for the seed that has been sown through this outreach. Since the campaign, we have had 25 first-time visitors attend the services. This has been a tremendous encouragement to our hearts and we are praying that they will continue to return and their interest in godly things will grow.

Please pray especially for several of our new visitors who need to be saved. One is a teenage boy, that at the

tender age of 15, has already faced many difficulties in his young life. He has attended several services and we are praying that He will see the love of Christ in us & through us, individually and as a church. This past Sunday his grandmother attended both services and was asking about Wednesday night Bible study. Amen! She seems genuinely interested in the things of God and we are praying that she, too, will come to know the Lord. God IS able!!!

The Lord also blessed us with a wonderful week of revival meetings. God moved in a mighty way. Our hearts were challenged and encouraged through the preaching of His Word. We concluded the week with a Missionary Fellowship Meeting, the first one we have hosted post COVID. It was a great blessing to see so many missionaries from across the UK gather together. We believe many were refreshed and strengthened as they returned to their field of service with renewed determination to serve our great God.

We were also thankful for several supporters and friends from different churches who were able to join us for this special time.

Thank you, as always, for your faithfulness in prayer and generosity. We are grateful for your partnership in the Gospel and look forward to seeing what all the Lord will continue to do in the days ahead.

Sincerely In Christ,
Bro Roger Tooley
